***Turkey – An Evolving Nation***  
***with Alison Stendahl***

**5:30 PM, November 15, 2016**

**Napier Center, Pilgrim Place  
660 Avery Rd.**

Alison Stendahl lived for 34 years in Izmir and Istanbul, working as the Academic Dean and a math teacher at Uskudar American Academy and Izmir Collegiate Institute. Passionate about education, she has had a great deal of experience working within the Turkish educational system with Turks, Americans, and Europeans. Her academic background is in math, education, history and theology. Having lived in Turkey from 1980 to 2014, she experienced modern Turkish history first hand. Drawing from these insights, intensive research, and continued connections with Turkish friends and colleagues, Stendahl will share her reflections on Turkey today.
