COFFEE TALK SPEAKER SERIES

Tuesday, August 18

7pm @ Armory Center

145 N. Raymond Ave. Pasadena, CA

\$10 suggested donation at the door

Guest Speaker:
Cordelia Hanna-Cheruiyot

Protecting the MotherBaby-Dyad Globally & Locally

Despite technical advances and global development, pregnant women, infants, and mothers still face grave health inequities and human rights violations every day. Please join us for a discussion on disparities in perinatal indicators, their underlying causes, and the benefits of traditional practices that increase the survival of vulnerable infants and women from pregnancy to postpartum.
